Dear Admiral Raborn:

On behalf of the United States Marine Corps, it is my pleasure to extend congratulations and best wishes on the anniversary of the establishment of the Central Intelligence Agency.

The services your organization performs are as essential to the security of our nation as soldiers and their weapons. The courageous and dedicated men and women of the CIA have won the respect and admiration of all United States Marines.

With warm personal regards,

Sincerely,

*Wallace M. Greene, Jr.*
